

## PROFILE

Over 10 years of design experience through a conjunction of interior-architecture, architecture, and graphic design. I specialize in commercial interior design with residential multifamily architecture, along with inheritance of graphic media marketing creativity. I seek strong core values in a firm that provides opportunities for growth, team-based network, and high levels of creative freedom, in exchange for my variety of transferable skill-sets that are beneficial to showcase reputable design enhancements and efficient work strategies.

## EXPERIENCE

- 12. 2019** ● **ARCHITECTS ORANGE | Designer - Interior, Architecture, and Graphics**
  - 10. 2023** • Designed graphic diagrams, phasing plans, and RFP & RFI presentations.
  - Executed up to 75% of entitlement set that involved with 3D model massing exterior designs, drafted site grading changes, and designed preliminary conceptual site graphics.
  - Prepared submittal deliveries in both interior commercial and architecture multifamily departments for the City and Client, while working heavily with civil, landscape, and lighting consultant agencies.
  - In charge of inputting office standards in liaisons and coordinated as an office team lead between other disciplines of project scope.
  - Heavily responsible for documenting summary of code analysis matrix for team, offered critical analysis support during design brainstorm and conceptual preparations, and created design guidelines for Specific Plan documents per client and city.
  - Responsible for maintaining materials library for the interior department, arrange meetings with sale reps, formatting FFE scopes, prepared graphics for mood boards and physical board layouts, produced schematic floor plans and elevations, and selected color and materials for sample trays.
- 09. 2018** ● **ROBERT HIDEY ARCHITECTS | Graphic Designer**
  - 09. 2019** • Executed entire set of architectural color graphics for all plans and elevations from CAD and hand sketches and applied shadows graphically calculated using Photoshop.
  - Responsible for web designing and marketing projects, including master plans in preparation for Press and media publications, both for online and magazine articles
- 01. 2017** ● **URBAN ARENA | 2D - 3D Graphic Designer & Animator**
  - 07. 2017** • Assisted with Interior Design within team's architecture design structure, as well as produced VR 3D model rendering animation for client gaming control.
  - Responsible for creating virtual reality renderings and video animation "fly-bys" and "walk-throughs" of architectural and landscape design drawings for client navigational experience.

## ADDITIONAL EXPERIENCES

- 07. 2017** ● **CODE FOUR | Graphic Designer**
  - 02. 2018** • Managed 100% of all assigned graphics for media ads, posters, window banners, and other deliverables for clients from The Irvine Company.
  - Produced schematic 3D graphics for stage equipment layout and graphic way-finding animation using Sketchup Pro.
- 02. 2013** ● **TOSHIBA | Data Analyst**
  - 11. 2013** • Heavy data reconciliation using Excel data with large volumes (~5,000+ rows) of reference data on an ongoing and/or as-needed basis
  - Managed database and product specifications to ensure coding logistic programs are functional for consumer use.
